

(2) In any fiscal year, the PAE may not request HUD to approve Restructuring Plans with exception rents for more than 20 percent of all units covered by the PRA, except that HUD may approve a waiver of this 20 percent limitation based on the PAE's narrative explanation of special need.

(b) *How are exception rents calculated?*

(1) Exception rents must be set at a level sufficient to support the costs of operating the project. The PAE must take into account the following cost items:

(i) Debt service on the second mortgage under § 401.461(a) or a rehabilitation loan included in the Restructuring Plan;

(ii) The operating expenses of the project, as determined by the PAE, including:

(A) Contributions to adequate reserves for replacement;

(B) The costs of maintenance and necessary rehabilitation;

(C) Other eligible costs permitted under the section 8 program;

(iii) An adequate allowance for potential operating losses due to vacancies and failure to collect rents, as determined by the PAE;

(iv) A return to the owner to the extent permitted by § 401.461(b)(3)(ii)(A); and

(v) Other expenses determined by the PAE to be necessary for the operation of the project.

(2) The exception rent must not exceed 120 percent of the Fair Market Rent for the market area, except that HUD may approve an exception rent greater than 120 percent of Fair Market Rent, based on a narrative explanation of special need submitted by the PAE, subject to the 5 percent limitation in section 514(g)(2)(A) of MAHRA.

§ 401.412 Adjustment of rents based on operating cost adjustment factor (OCAF) or budget.

(a) *OCAF.* (1) The Restructuring Plan must provide for annual adjustment of the restructured rents for project-based assistance by an OCAF determined by HUD.

(2) *Application of OCAF.* HUD will apply the OCAF to the previous year's contract rent less the portion of that rent paid for debt service. This para-

graph applies to renewals of contracts in subsequent years which receive restructured rents under either section 514(g)(1) or (2) of MAHRA.

(b) *Budget-based.* Rents will be adjusted on a budget basis instead of OCAF only upon owner request, subject to HUD approval.

§ 401.420 When must the Restructuring Plan require project-based assistance?

The Restructuring Plan must provide for the section 8 contract to be renewed as project-based assistance, subject to the availability of funds for this purpose, if:

(a) The PAE determines there is a market-wide vacancy rate of 6 percent or less;

(b) At least 50 percent of the units in the project are occupied by elderly families, disabled families, or elderly and disabled families; or

(c) The project is held by a nonprofit cooperative ownership housing corporation or nonprofit cooperative housing trust.

§ 401.421 Rental Assistance Assessment Plan.

(a) *Plan required.* For any project not subject to mandatory project-based assistance under § 401.420, the PAE must develop a Rental Assistance Assessment Plan in accordance with section 515(c)(2) of MAHRA to determine whether assistance should be renewed as project-based assistance or whether some or all of the assisted units should be converted to tenant-based assistance.

(b) *Matters to be assessed.* The PAE must include an assessment of the impact of converting to tenant-based assistance and the impact of extending project-based assistance on:

(1) The ability of the tenants to find adequate, available, decent, comparable, and affordable housing in the local market;

(2) The types of tenants residing in the project (such as elderly families, disabled families, large families, and cooperative homeowners);

(3) The local housing needs identified in the applicable Consolidated Plan developed under part 91 of this title;
